Box 20 – Rev. James J. Ruddick, S. J. papers

Preliminary Determination of Epicenters; ca. 1968-1974
(6 folders)

Scope note: The Braun Seismograph Station at Canisius College has been in continual use in the same location since 1909. PDE postcards used through the mid-1960s were replaced with Monthly Listing and Reports. Boxes 21-23 contain these data.

Folder 20/1 – June 25- December 31, 1968
Folder 20/2 – January 3-December 31, 1969
Folder 20/3 – January 7-December 30, 1970
Folder 20/4 – January 6- December 30, 1971
Folder 20/5 – January 5- December 19, 1972
Folder 20/6 – January 2 - July 6, 1973;
   January 25-June 7, 1974
